## LAYING TRACKS FOR ECONOMIC DEVELOPMENT

# Will high-speed rail spur economic development in the Midwest? What role does design play in improving transportation and planning in St. Louis?

Join Van Alen Institute at the Contemporary Art Museum in St. Louis for a presentation of winning entries from the Life at the Speed of Rail competition and a conversation about high-speed rail, place-making and economic development.

 In addition to winning entries, the event will feature a panel discussion among project advisers and guests:

CAROL COLETTA, ArtPlace  
PETRA TODOROVICH, America 2050  
TOM SHROUT, Avvantt Partners  
MARK VOGL, HOK  
ANDREW COLOPY & DIANA LIND, Van Alen Fellows
